Explanatory Statement pursuant to section 102(1) of the Companies Act, 2013:

The following statement sets out all material facts relating to the businesses under item no. 3 & 4 of the accompanying Notice dated May 2, 2024.

# ITEM NO. 3:

Mukesh M. Shah & Co., Chartered Accountants, were appointed as Statutory Auditors of the Company at the First Annual General Meeting held on October 31, 2019 for a period of 5 (five) years, up to the conclusion of Sixth Annual General Meeting. Mukesh M. Shah & Co. are eligible for re-appointment for a further period of 5 (five) years. Mukesh M. Shah & Co. have given their consent for their re-appointment as Statutory Auditors of the Company and have issued certificate confirming that their re-appointment, if made, will be within the limits prescribed under the provisions of section 139 of the Companies Act, 2013 ("the Act") and the rules made thereunder. Mukesh M. Shah & Co. have confirmed that they are eligible for the proposed re-appointment under the Act, the Chartered Accountants Act, 1949 and the rules or regulations made thereunder. Mukesh M. Shah & Co. have reported their independence from the Company according to the Code of Ethics issued by the Institute of Chartered Accountants of India and the ethical requirements relevant to audit. Based on the recommendation of Board of Directors ("the Board"), it is hereby proposed to re-appoint Mukesh M. Shah & Co., having registration No. 106625W, as the Statutory Auditors of the Company, for a further period of 5 (five) consecutive years, who shall hold office from the conclusion of this Sixth Annual General Meeting till the conclusion of Eleventh Annual General Meeting of the Company to be held in the financial year 2029-30. The remuneration proposed to be paid to the Statutory Auditors shall be decided by the Board of Directors in consultation with the Statutory Auditors of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives are interested or concerned, financially or otherwise, in the resolution.

The Board recommends the resolution set out at Item No. 3 of the Notice for approval by the members by way of an Ordinary Resolution.

# ITEM NO. 4:

The Board of Directors of the Company in their meeting held on January 4, 2024 appointed Mrs. Meha S. Patel (DIN: 00491120) as an Additional Director on the Board of the Company with effect from January 4, 2024 who holds office of Director upto the ensuing Annual General Meeting.

Mrs. Meha S. Patel, aged 42 years, is an entrepreneur with diverse interests. With a background in textile design technology from University of Arts, London, UK, she promotes local artisans and artists. As a social change catalyst, she heads Zydus Foundation, the CSR arm of the Zydus Group. She firmly believes that sustainable livelihoods, women empowerment, education, health and sanitation programmes can bring about transformation at the grassroot level. She is on the Board of several educational institutions and is associated with social change programmes in Gujarat and Maharashtra.

The Company has received notice in writing from a member under section 160 of the Act proposing her candidature for the office of Director and is not disqualified from being appointed as a Director in terms of section 164 of the Act and has given her consent to act as a Director.

The Board considers that her continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mrs. Meha S. Patel.

The Board recommends the resolution to the members for approval by way of an Ordinary Resolution for the appointment of Mrs. Meha S. Patel as a Non-Executive Director of the Company liable to retire by rotation.

None of the Directors and Key Managerial Personnel and their relatives, save and except Mrs. Meha S. Patel, her husband Dr. Sharvil P. Patel and her father-in-law Mr. Pankaj R. Patel and their relatives are concerned or interested in the passing of the said resolution.

## **Statutory Auditors and their Report:**

Mukesh M. Shah & Co., Chartered Accountants, Ahmedabad (Firm Registration No. 106625W) were appointed as the first Statutory Auditors of the Company, for a period of 5 (five) years from the conclusion of First Annual General Meeting ("AGM") till the conclusion of Sixth AGM. Their term shall expire after the ensuing AGM.

The Board at their meeting held on May 2, 2024 recommended the re-appointment of Mukesh M. Shah & Co. as the Statutory Auditors of the Company for the second term of 5 (five) consecutive years from the conclusion of Sixth AGM till the conclusion of Eleventh AGM to be held in the financial year 2029-30 with an authority to the Board to decide the remuneration payable to them. Re-appointment of Mukesh M. Shah & Co. is subject to approval of members at the ensuing AGM. Necessary agenda item, resolution and statutory details are provided in the Notice of AGM.

Mukesh M. Shah & Co. have furnished a declaration confirming their independence as well as their arm's length relationship with the Company.

The Board has duly reviewed the Statutory Auditor's Report on the Financial Statements of the Company for the year ended on March 31, 2024. The observations and comments, appearing in the Auditor's Report are self-explanatory and do not call for any further explanation / clarification by the Board of Directors as provided under section 134 of the Act.

# **Secretarial Auditor and Secretarial Audit Report:**

Pursuant to the provisions of the Act, the Company is not considered as a listed company, because only the NCDs of the Company are listed on the whole sale debt segment of NSE. The equity shares of the Company are not listed on any stock exchanges.

As the Company is not a listed company as per the provisions of the Act, Secretarial Audit is not mandatory and in view of the same, appointment of Secretarial Auditor is not applicable to the Company.

### Corporate Social Responsibility (CSR):

As per provisions of section 135 of the Companies Act, 2013 ("Act") and the rules made thereunder, every company having net worth of rupees five hundred crore or more or turnover of rupees one thousand crore or more or net profit of rupees five crore or more during the immediately preceding financial year is required to spend at least two percent of the average net profit of the company made during the three immediately preceding financial years.

Since, the net profit of the Company was more than rupees five crore during the immediately preceding financial year, Company was required to spend an amount of Rs. 0.47/- (Rupees

#### INDEPENDENT AUDITOR'S REPORT

#### TO THE MEMBERS OF ZYDUS FOUNDATION

#### **Report on the Audit of the Financial Statements**

#### Opinion

We have audited the financial statements of **Zydus Foundation** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2024, the statement of Income and Expenditure (including other comprehensive income), the statement of changes in Equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2024, and its surplus and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

# Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

This report does not contain a statement on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act as, in our opinion, and according to the information and explanations given to us, the Order is not applicable in the case of the company.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books. The backup of the books of account and other books and papers maintained in electronic mode, has been maintained on a daily basis on servers physically located in India during the year.
- c) The Balance Sheet, the Statement of Income and Expenditure (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" attached to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, no remuneration paid by the Company to its directors during the year.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The Company has disclosed the impact of pending litigations on its financial statements in its financial statements;
  - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii) There were no amounts which were required to be transferred to the Investor Education and

Protection Fund by the Company.

iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign

entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified

in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any

guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have

been received by the company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whather directly or indirectly land or invest in other persons or entities identified in any manner.

whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee,

security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we have considered reasonable and appropriate in the

circumstances, nothing has come to our notice that has caused us to believe that the representations given under (a) and (b) above, contain any material misstatement.

v) During the year, the company has not declared any dividends. Hence, reporting of compliance under

section 123 of the Companies Act, 2013 is not applicable.

i) Based on our examination of records provided to us, which included test checks, the company has used an

accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility from May 17, 2023. From that date, the edit log facility has

been operated throughout the year for all transactions recorded in the software. Further, during the course of

 $our\ audit,\ we\ did\ not\ come\ across\ any\ instance\ of\ audit\ trail\ feature\ being\ tempered\ with\ from\ the\ date\ edit\ log$ 

was enabled.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), is applicable from April 1, 2023, reporting under rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as

per the statutory requirements for record retention is not applicable for the financial year ended March 31,

2024.

"Annexure A" referred to in the Independent Auditors' Report of even date to the members of "Zydus Foundation" on the Financial Statements for the year ended 31st March, 2024.

Report on the Internal Financial Control clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the act")

We have audited the internal financial controls over financial reporting of **Zydus Foundation** ("the company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management Responsibility for Internal Financial Controls**

The company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India [ICAI]. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's Judgement, including the assessment of the material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures

- of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2024 in all material respect based on the internal control over financial reporting criteria by the Company considering the essential components of control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### Note: 1-Company overview:

Zydus foundation ["the Company"] [CIN: U85300GJ2019NPL105919] was incorporated on January 7, 2019 under section 8 of the Companies Act, 2013 as a company limited by shares. The main activity of the Company is to run, operate and maintain medical college and hospital in rural areas and to carryout other charitable activities and to apply its profits, if any, or other income in promoting the charitable objects. Under the Health Policy 2016 of the Government of Gujarat using the Brownfield Public Private Partnership Model, the Company is awarded rights to operate and maintain hospital in the rural area of Dahod. The financial statements are presented in Indian Rupee [INR] which is also the functional currency of the company. The registered office of the Company is situated at at "Zydus Corporate Park", Scheme No. 63, Survey No. 536 Khoraj (Gandhinagar), Nr. Vaishnodevi Circle, S. G. Highway, Ahmedabad 382 481. These financial statements were authorized for issue in accordance with a resolution passed by the Board of Directors at their meeting held on May 02, 2024.

#### Note: 2-Material Accounting Policies:

The following note provides list of the material accounting policies adopted in the preparation of these financial statements. The policy has been consistently applied to all the years presented unless otherwise stated.

#### 1 Basis of preparation:

- A The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standard) Rules, 2015, as amended and other relevant provisions of the Companies Act, 2013.
- The financial statements of the Company are prepared on accrual basis under the historical cost convention except for certain financial instruments that are measured at fair value at end of each reporting period. Historical cost is generally based on fair value of the consideration given in exchange for goods and services.

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of income and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments are provided below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

#### 3 Revenue Recognition:

#### Grant/contribution:

Revenue from Grants/ contributions are recognised upon compliance with the significant condition, if any, and where it is reasonable to expect ultimate collection. Amounts received with a specific direction from donors that such amounts shall form part of the Corpus of the Foundation are recognised accordingly.

Income from services rendered to patients in Hospital is recognised during the period in which the hospital service is provided. Revenue primarily comprises fees charged for in-patient and out-patient hospital services. Services include charges for accommodation, operatoin theatre, medical professional services, equipment, radiology, laboratory and pharmaceutical goods used. Hospital provides free services to the patients in terms of the conditions stipulated in the Concession agreement as directed by the Government. However, the revenues in respect of the healthcare services provided to eliqible in-patients, qualifying for Government Sponsored Healthcare schemes, is recorded at the rates and in accordance with with the terms of the respective applicable scheme of the Government.

#### Fees Income:

Fee income is credited to the Statement of Income and Expenditure over the period in which it relates.

#### Interest Income:

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses

- A Government grants are recognised in accordance with the terms of the respective grant on accrual basis considering the status of compliance of prescribed conditions and ascertainment that the grant will be received.
- Government grants related to revenue are recognised on a systematic and gross basis in the Statement of Income and expenditure over the period during which the related costs intended to be compensated are incurred.
- C Government grants related to assets are recognised as income in equal amounts over the expected useful life of the related asset.

#### 5 Taxes on Income:

Tax expenses comprise of current and deferred tax.

#### **Current Tax:**

Provision for current tax has not been made in the books of accounts in view of the exemption of income of the Company under Section-11 read with Section 2 (15) of the provisions of the Income Tax Act, 1961.

#### 6 Property, Plant and Equipment:

- All items of Property, Plant and Equipment are stated at historical cost of acquisition/ construction less accumulated depreciation and impairment loss. Historical cost [Net of Input tax credit received/ receivable] includes related expenditure and pre-operative & project expenses for the period up to completion of construction/ assets are ready for its intended use, if the recognition criteria are met and the present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset, if the recognition criteria for a provision are met. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance costs are charged to the statement of profit and loss during the reporting period in which they are incurred, unless they meet the recognition criteria for capitalisation under Property, Plant and Equipment.
- Depreciation on tangible assets is provided on "straight line method" based on the useful lives as prescribed under Schedule II of the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of Property, Plant and Equipment at each reporting period end and any revision to these is recognised prospectively in current and future periods.
- Depreciation on additions/ disposals of the fixed assets during the year is provided on pro-rata basis according to the period during which assets are used.
- Where the actual cost of purchase of an asset is below INR 10,000/-, the depreciation is provided @ 100%.
- Capital work in progress is stated at cost less accumulated impairment loss, if any.

  An item of Property, Plant and Equipment and any significant part initially recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the Statement of Income and expenditure when the asset is derecognised

#### Note: 2-Material accounting policies-Continued:

#### 7 Intangible Assets:

- A Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.
- Internally generated intangibles are not capitalised and the related expenditure is reflected in the Statement of profit and loss in the period in which the expenditure is incurred.
- C Trade Marks. Technical Know-how Fees and other similar rights are amortised over their estimated useful lives of ten years.
- **D** Capitalised cost incurred towards purchase/ development of software is amortised using straight line method over its useful life of four years as estimated by the management at the time of capitalisation.
- E Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of infinite life is reviewed annually to determine whether the infinite life continues to be supportable. If not, the change in useful life from infinite to finite is made on a prospective basis.
- F An item of intangible asset initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the Statement of profit and loss when the asset is derecognised.

#### 8 Inventories:

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is based on first-in, first out (FIFO) principle.

#### 9 Cash and Cash Equivalents:

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

#### 10 Leases:

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date [net of any incentives received]. The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist. At the commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments [including in substance fixed], variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes to the in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero. The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis o

#### 11 Provisions, Contingent Liabilities and Contingent Assets:

- Provisions are recognised when the Company has a present obligation as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. A disclosure of contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates. Contingent assets are not recognised but are disclosed separately in financial statements.
- **B** If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

#### 12 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### A Financial Assets:

#### a Initial recognition and measurement:

All financial assets are recognised initially at fair value plus transaction costs, in the case of financial assets not recorded at fair value through profit or loss, that are attributable to the acquisition of the financial asset. All recognised financial assets are subsequently measured at either amortised cost or fair value depending upon the classification of the financial asset.

#### b Derecognition:

A financial asset [or, where applicable, a part of a financial asset] is primarily derecognised [i.e. removed from the Company's balance sheet] when:

i The rights to receive cash flows from the asset have expired, or

ii The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Company has transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. When the Company has transferred the risks and rewards of ownership of the financial asset, the same is derecognised.

#### Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the financial assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applies depends on whether there has been a significant increase in credit risk.

#### **B** Financial Liabilities:

#### a Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

#### Subsequent measurement:

Subsequently all financial liabilities are measured as amortised cost, using EIR method. Gains and losses are recognised in Statement of Income and expenditure when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of profit and loss.

#### c Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.

#### C Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### **B** Recent Accounting Pronouncements:

The Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. For the year ended March 31, 2024, there are no new standards or amendments to the existing standards which are notified but not yet effective.

#### Defined benefit plan and long term employment benefit

A General description:

Leave wages [Long term employment benefit]:

The employees of the company are entitled to leave as per the leave policy of the company. The liability on account of accumulated leave as on last day of the accounting year is recognised [net of the fair value of plan assets as at the balance sheet date] at present value of the defined obligation at the balance sheet date based on the actuarial valuation carried out by an independent actuary using projected unit credit method. Gratuity [Defined benefit plan]:

The Company has a defined benefit gratuity plan. Every employee who has completed continuous services of five years or more gets a gratuity on death or resignation or retirement at 15 days salary [last drawn salary] for each completed year of service.

#### B Risk Management:

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements. The Company's risk management is done in close co-ordination with the board of directors and focuses on actively securing the Company's short, medium and long term cash flows by minimizing the exposure to volatile financial markets. The company's capital management is intended to create optimum value by facilitating meeting of long term and short term goals of the Company. The most significant financial risks to which the Company is exposed are described below:

# Credit risk:

Credit risk arises from the possibility that counter party may not be able to settle its obligations as agreed. The Company is exposed to credit risk from trade receivables. The Company deals with recognized and credit worthy third parties and Government authorities. Receivable balances are monitored on an on-going basis with the result that the Company's exposure to bad debts is not significant.

#### Note: 30-Financial Risk Management continued:

#### b Liquidity risk:

- a Prudent liquidity risk management implies maintaining sufficient cash and marketable securities to meet obligations when due.
- Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The company takes into account the liquidity of the market in which it operates. In addition, the Company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet its obliqations. The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.
